

Using the LinkedIn Learning Weblink

1. Use web address: <https://inlearning.westernu.edu>
2. This will redirect you to WesternU's ADFS landing page
3. Enter your WesternU email address (e.g. jemployee@westernu.edu) and password
4. Select Sign in

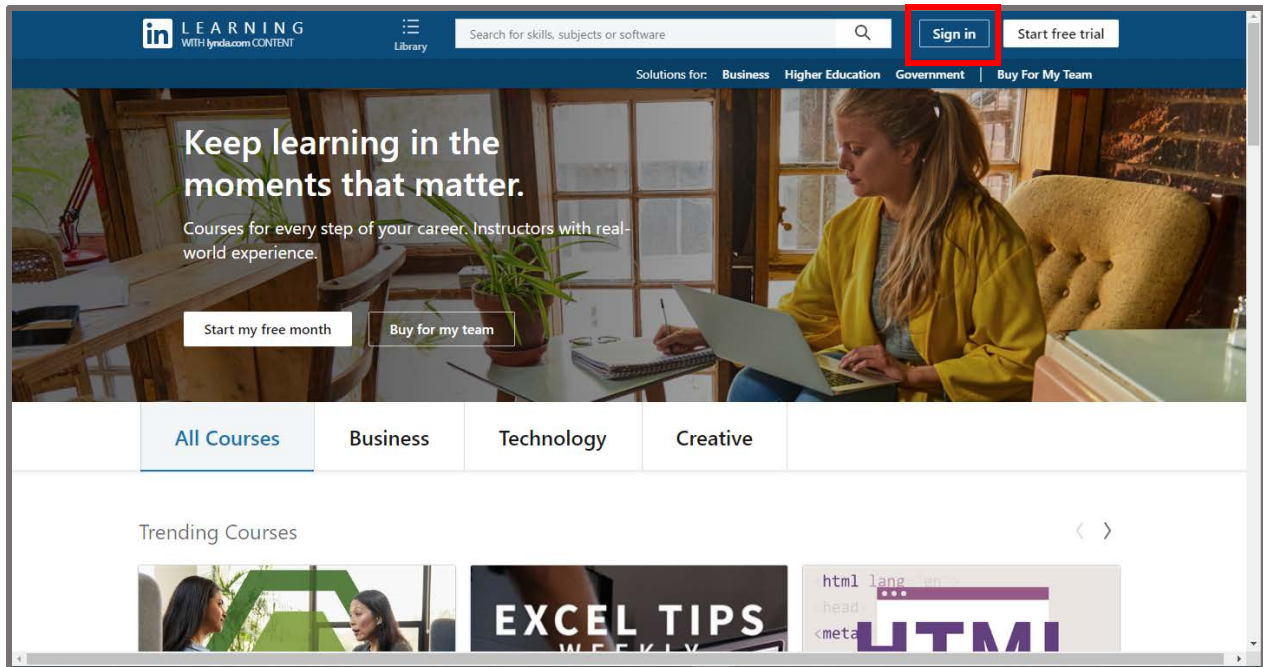

5. This will route users to WesternU's LinkedIn Learning homepage
6. From the homepage navigate the platform to view various on-demand training videos

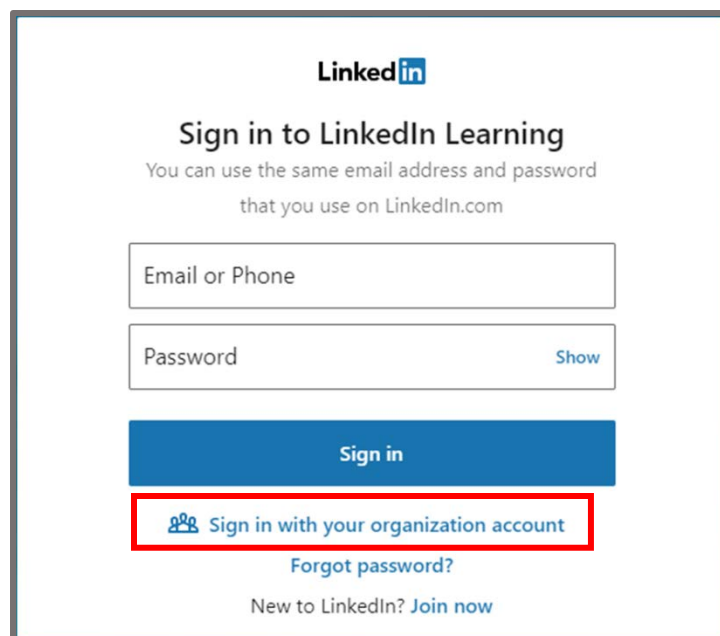

Using WesternU's Organization Account

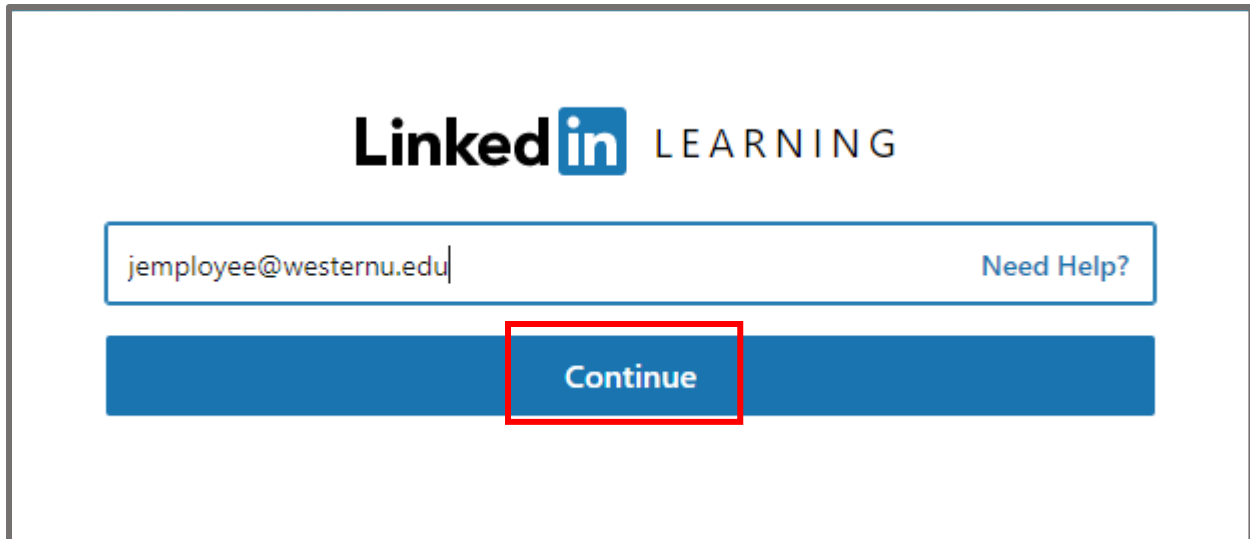

1. If users are locked out of their LinkedIn Learning account, the top right of the screen will indicate for them to Sign in
2. Select Sign In

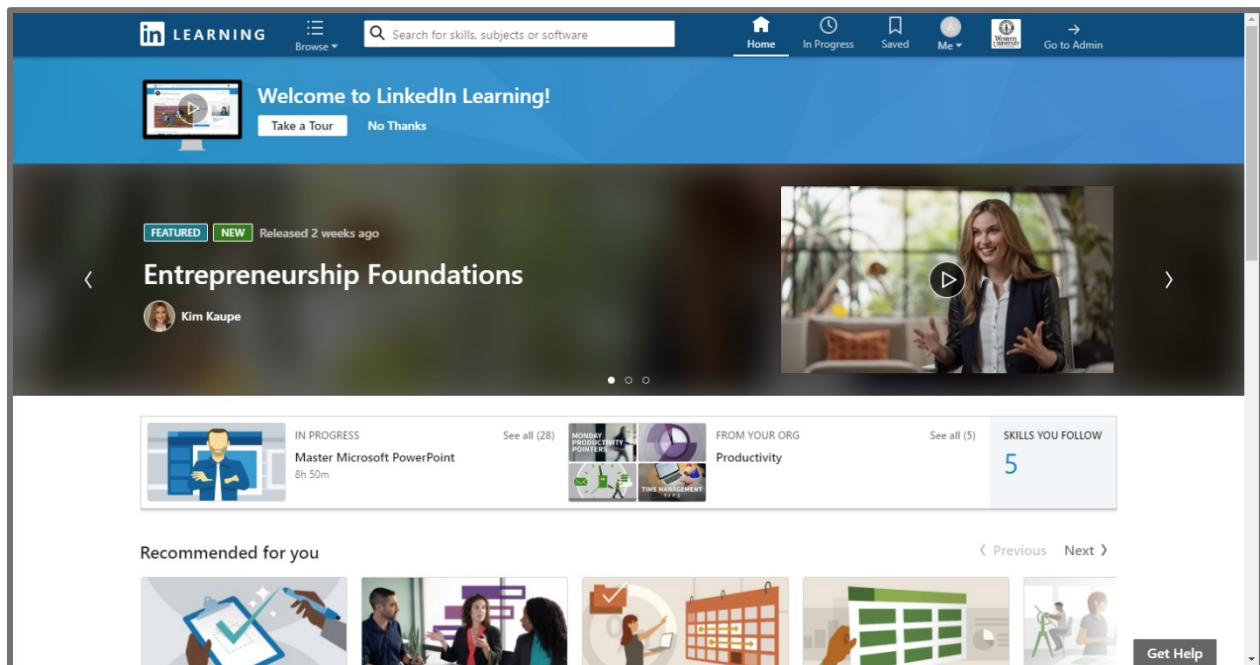

3. This routes users to the Sign in to LinkedIn Learning page
4. Select Sign in with your organization account

5. Enter your WesternU email address (e.g. jemployee@westernu.edu)
6. Select Continue

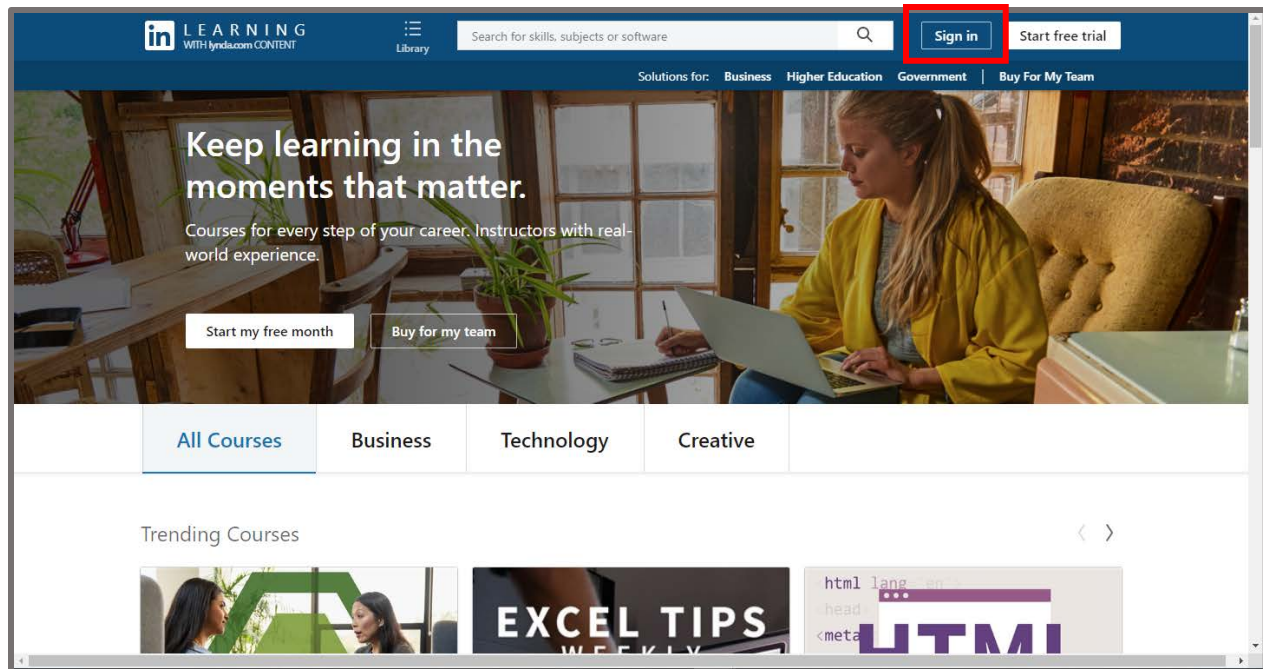

7. This will route users to WesternU's LinkedIn Learning homepage
8. From the homepage navigate the platform to view various on-demand training videos

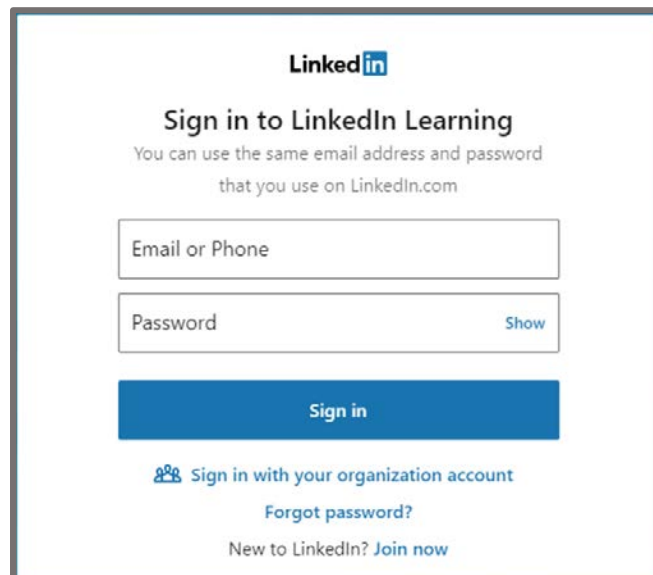

Using Your Personal LinkedIn Account

***Please Note:** This login option only works if your personal LinkedIn account is connected with your WesternU LinkedIn Learning account.

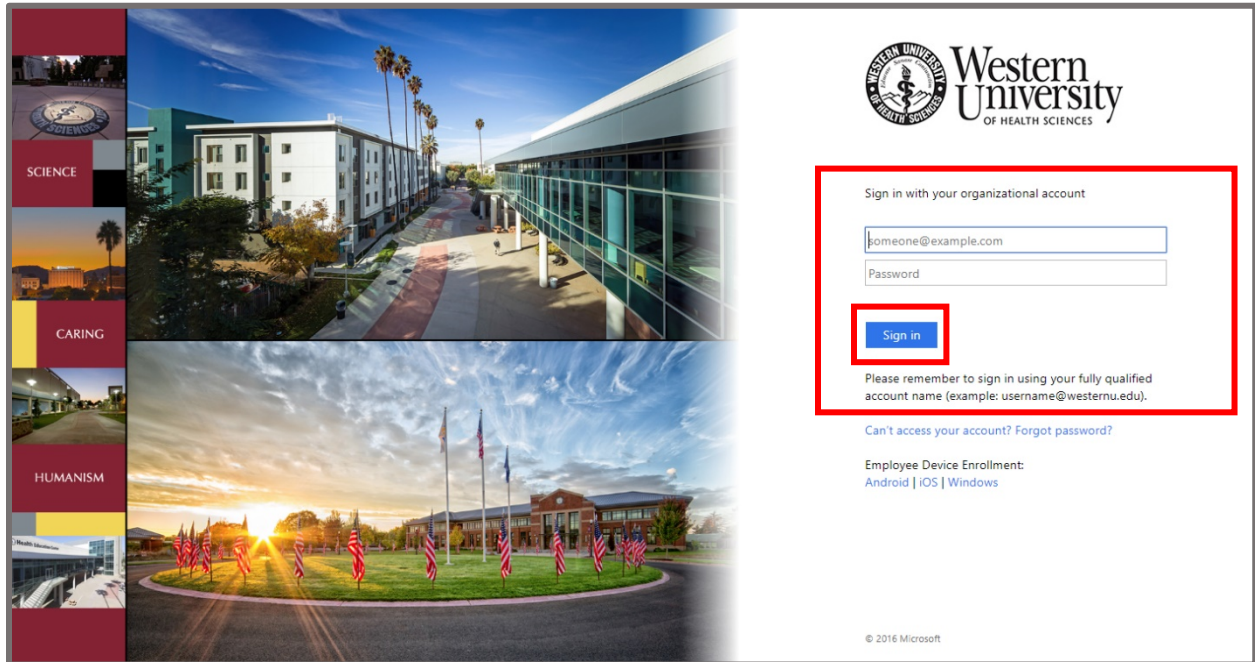

1. If users are locked out of their LinkedIn Learning account, the top right of the screen will indicate for them to Sign in
2. Select Sign in

3. This routes users to the Sign in to LinkedIn Learning page
4. Enter your personal LinkedIn account email address **OR** your WesternU email address
***Please Note** – either email address will work
5. Enter your personal LinkedIn account password
***Please Note** – this should **NOT** be the same as your WesternU password
6. Select Sign in

7. This **may** redirect you to WesternU's ADFS landing page
8. If it does, enter your WesternU email address (e.g. jemployee@westernu.edu) and password
9. Select Sign in

10. This will then route users to WesternU's LinkedIn Learning homepage
11. From the homepage navigate the platform to view various on-demand training videos
